About Voltas

When the Swiss based Volkart Brothers joined hands with Tata Sons Limited over 6 decades ago to create Voltas, they believed that innovation could change the world. Today, Voltas continues to stand at the forefront of re-engineering the future through innovative thinking & smart engineering.

As India's largest air conditioning company, Voltas is also one of the most reputed engineering solution providers specializing in project management. Voltas plays a vital role in developing the infrastructure of the nation as well as exporting their unparalleled expertise across Technology, Engineering, Construction, Cooling and Ventilation, Infrastructure Projects, Textile, & Manufacturing sectors, making them one of the most trusted and reliable engineering solution providers.

Voltas' commitment to maintain high professional standards, dedicate efforts to create a healthy environment and provide sustainable engineering solutions is realized by a relentless persistence to constantly challenge the norm.
