About Voltas

When the Swiss based Volkart Brothers joined hands with Tata Sons Limited over 6 decades ago to create Voltas, they believed that innovation could change the world. Today, Voltas continues to stand at the forefront of re-engineering the future through innovative thinking & smart engineering.

As India's leading air conditioning company with a market share of close to 25%, Voltas is also one of the most reputed engineering solution providers specializing in project management. Voltas plays a vital role in developing the infrastructure of the nation as well as exporting their unparalleled expertise across Technology, Engineering, Construction, Cooling and Ventilation, Home Appliances, Infrastructure Projects, Textile, and Manufacturing sectors, making them one of the most trusted and reliable engineering solution providers.

Voltas' commitment to maintain high professional standards, dedicate efforts to create a healthy environment and provide sustainable engineering solutions is realized by a relentless persistence to constantly challenge the norm.
